Bleed Area

You will need to extend your design to fill the bleed area. This area will be trimmed to ensure you don't have any unwanted white lines.

Cut Line

This is where we aim to cut your design to the finished size. Any part of your design places outside this line will be cut off.

Safe Zone

This safe zone is 3mm inside the cut line. Make sure all important elements and text are kept within this area.

Fold Line

This is where your label will fold over the edge, avoid placing text or important information here.

Plant several per pot or on loose ground in direct sunlight, 15cm apart.
Water thoroughly. Do not consume.
