

WRISTBAND

If you're coordinating an event and want it to be both memorable and sustainable, our Plantable Wristbands are your go-to. Suitable for festivals, corporate gatherings, and charity events alike, these wristbands offer more than just a ticket in. Printed on 220gsm plantable seed paper, each wristband can later be planted to sprout a colourful variety of wildflowers. They can be fully customised in vibrant full colour, ensuring that your eco-friendly message lingers in the minds of attendees long after the event concludes.

ECO CREDENTIALS

Plastic Free

Made from post-consumer waste from the textile industry

Suitable for QR codes

Produced in the UK
